

RAJKIYA ENGINEERING COLLEGE AMBEDKAR NAGAR

Under the Aegis Of

**DR. A. P. J. ABDUL KALAM TECHNICAL
UNIVERSITY LUCKNOW**

Presents

Ideathon -2021

09th October 2021

About

This program encourages entrepreneurship, innovative mindset, and out-of-the-box thinking among young minds. The problem statements will be based on real-life issues faced in day-to-day life. This makes the Ideathon real and not simulated. Winners will receive very attractive prizes.

Therefore, we request you, for the sake of innovation and nation-building in our young generation, to please encourage your Institute going students, friends and their schools to participate and avail of this wonderful opportunity.

First Round

20 Teams
Participate
