

ABOUT THE AUTHORS

Jaswantsingh was born in Firozabad, U.P., India in 1987. He received the B.Tech. degree in Electrical Engineering in 2009 from RadhaGovindGroup of Collages (RGGC), Meerut, India, and M. Tech. in electrical engineering (Power electronics & drive) from the State Govt. Kaml Nehru Institute of Technology (KNIT), Sultanpur, U.P., 2011, India. He joined the Department of Electrical & Electronics Engineering (EEE), P.K. Institute of Technology & Management, (PKITM), Mathura, U.P., India, as an Asst. Prof. & Head in 2011. He joined the Department of Electrical Engineering (EE), Shri Ram Group of Colleges (SRGC), Muzaffarnagar (U.P.), India, as an Asst. Prof. & Head in 2012. He is currently an Asst. Professor in Department of electrical engineering (EE) from Arya College of engineering & I.T. (ACEIT), Kukas, Jaipur (Rajasthan), India, where he has been since August 2015. He has authored or co-authored 20 publications on power electronics, control and simulation of electrical machines and drives; he has more than 5 years of teaching and research experience. He has guided more than 4 projects. His areas of interest in research are power electronics & drives, power operation system and power quality problems.

Dr. S. P. Singh is an Assistant Professor in Electrical Engineering Department of Kaml Nehru Institute of Technology, Sultanpur since January, 2009.

He had been graduated in B. E. Electrical & Electronics Engineering from GLA Institute of Technology & Management, Mathura (now GLA University, Mathura) in year 2002. He had received Master of Technology degree in Electrical Engineering with specialization in Control & Instrumentation from Motilal Nehru National Institute of Technology, Allahabad in 2005. He also did his Ph. D. Degree in Electrical Engineering (Power Electronics) from Motilal Nehru National Institute of Technology, Allahabad in 2014. He has guided 31 M. Tech. students and guiding two Ph. D. students. He has published many research papers in International and National journals and also in International and National Conferences. His current research interests are in the area of Power Electronics & Drives, Renewable Energy and Power Quality Issues. He is member of IEEE (USA) and Life member of ISTE (India).

Dr. A.P.J. Abdul Kalam Technical University (AKTU) Lucknow, U.P.
